FINES IMPOSED

By Mayor Richards on Thirteen Men But All Appeal Their Cases.

Mayor H. M. Richards, of Northview, imposed fines late Thursday afternoon on thirteen officers and employees of the Parkersburg Oil and Gas Company for engaging in digging up the streets there for the purpose of laying a pipe line from a gas well the company has in the town. In addition two of the thirteen men were fined for resisting officers of the town. The fines were made \$10 each and costs and the defendants all took appeals to the criminal court of the county. Henry C. Batten, attorney, who was reported as jailed a short time there luckily escaped that experience as he fled before the officers could get him.

RELOCATES HERE.

Robert R. Wilson, attorney, located here four years ago, has returned from Reno, Nev., and opened an office in room 649 in the Empire building.

CHANGES

Are Made in Arrangements of Work at Pride's Chapel, Colored.

Since publishing the arrangement of the work for the remainder of the conference year at Pride's chapel African Methodist Episcopal church, conditions have necessitated some changes. The union communion service between Pride's chapel and Trinity Methodist Episcopal church, colored, which had been arranged for the fifth Sunday at 3:30 p. m., will be on the fourth Sunday (next Sunday) at the same hour, owing to the fact that the Rev. J. H. Jenkins, pastor of Trinity church, and who is to preach at the service, will be absent from the city on the fifth Sunday, helping the Rev. Mr. Carroll in Charleston, by prior engagement. The choir of Trinity church will sing at that service, and the service promises to be an enjoyable and helpful one.

Another change in arrangements is the date of the reception to be given the pastor of Pride's chapel, the Rev. S. P. West. That affair was arranged for October 30, but will be held Friday night, October 27 instead. This promises to be the most brilliant affair of its kind that has been given among the people of color in Clarksburg, and the public is cordially invited. For while it is under the direct management of the "Anti-Can't" Club, it is really to be given by the whole church-loving community out of respect to the Rev. Mr. West.

FOUR FINED BY MAYOR.

One woman and three men, were fined \$1 and costs each this morning in police court by Mayor Frank R. Moore for being drunk in the streets last night. The woman and two men paid their fines and were released, and the other man was remanded to jail to await the arrival of money from friends later in the day.

SLEPT SIX WEEKS

When the strange case of the Iowa woman who had slept constantly for 43 days was not reported, many people who could not sleep at all wished that they might have a similar experience. You would be surprised to know how many people there are right around here who hardly ever get more than two or three hours' sleep at night, owing to bad health, general weakness and worn-out condition. Miss Louisa Ludwig, Newark, N. J., who went through all this has written a letter saying:

"Having felt weak, tired and badly undown, with little appetite, and inability to sleep well, I began to take Vinol which I had heard was the best remedy for that condition. It has done me great good by building up my strength, improving my appetite and enabling me to sleep soundly."

If you are worn out and weak and want new strength so you can eat well, sleep well, and be well, Vinol, our delicious cod liver and iron remedy is what you need, and we guarantee it to satisfy you. Stone & Mercer, Druggists, Clarksburg, W. Va.

FOOTBALL

Game Saturday Afternoon on the New Fair Grounds.

The Clarksburg Scholastic Football team will play the Weston High school team at the new fair grounds Saturday afternoon at 2:30 o'clock. These two teams met at Weston last Saturday and battled for four quarters and neither side was able to score the ball over the line, but all present admitted that the Clarksburg boys had the better of the argument. The admission for the game will be 25 cents.

Another Big Chance

Our buyers have just shipped us another big invoice of shoes, and what do you think they are? Well, perhaps you could hardly guess it, so we are going to tell you, and here it is. This shipment consists of as fine a lot of Men's, Women's, Boys' and Little Girls' TAN AND RUSSET SHOES, as ever came to a shoe shop in Clarksburg. Our buyers tell us they simply couldn't resist buying them, for it was a case of catching the makers when they had to have money, and cash at that time, so we let them unload on us, and at figures which gives us the opportunity to unload again on you, but just think of the saving, in most instances more than one-half the original price is cut off. This is no philanthropical notion of ours, because we sell at a small profit above the cost to us, but just see what we save you. Now, people, come in, let us show you, and then
